THE BOTTLE

A 32 oz sport bottle with a two-way lid, engraved with your design.

Double-wall stainless steel with a satin powder-coat finish. The lid has a straw spout on one side, an open chug spout on the other, and a carry handle. The laser removes the coating to reveal bright steel underneath, and the straight body takes a design all the way around.

Every bottle arrives in a colour-matched window gift box with its lid, straw and care card.

Shown in black, before engraving. Gift box and care card included.

★ Strongest contrast. On white and pastels the steel reads as a softer, tone-on-tone mark. Electroplated finishes are white or black powder coat over gold or rainbow plating, so the engraving shows gold or rainbow instead of steel. Colours shown are indicative; ask for an engraved sample in your colour before a larger order.

ARTWORK & APPROVAL

1
Send your artwork in any form you have it: a logo file, a photo of a sketch, or just the text you want.

2
We rebuild it as a production-ready vector (SVG), the file the laser actually runs. Raster images are redrawn, not traced.

3
You get a dimensioned SVG proof for each side you order (front, back or full wrap), showing exact size and placement on the bottle.

4
Revisions are free and unlimited before approval. We engrave only after you approve every side in writing.

PRICING — ENGRAVED ON ONE SIDE

Includes your artwork engraved on one side, the gift box, and a proofed SVG. The price per bottle falls with quantity because artwork setup is charged once per order, not once per bottle.

2 – 3	$36.00	$37.00

Quantity bands apply per order. A different name or date on each bottle costs a little more because every piece gets its own file and its own proof check.
