THE ORNAMENT

A 3.5-inch K9 crystal ornament, frosted with your own design.

The laser frosts your design into the crystal across the whole face, edge to edge. There's no template, no stock border and no fixed spot for a name: family names and the year, a drawing, a logo or a full scene, worked around the hanging hole.

INCLUDED · NO EXTRA CHARGE

Ready to hang, ready to give.

Every ornament comes on a red satin ribbon in a lined gift box.

Crystal	K9 optical crystal, round, with a faceted edge that catches the light
Size	**3.5" diameter**
Design area	The **whole face**, inside the faceted edge, worked around the hanging hole
Finish	Laser-frosted to one soft white. It's part of the crystal, so it won't fade, peel or wash off.
Ribbon	Red satin ribbon, ready to hang. Included.
Gift box	Lined gift box. Included with every ornament.
Shipping weight	About 8 oz per ornament, boxed

IDEAS

Family	Family names and the year · Baby's first Christmas · Our first Christmas · New home · Wedding date · Pets
Memorial	In loving memory: a name, dates, a favourite saying or a photo adapted for frosting
Groups	Teacher and coach gifts · Church and club groups · Family reunions
Business	Your logo for clients and staff, with the year

The laser frosts the crystal to one soft white, so bold shapes and clean lines look best. Photos and very fine detail are adapted for frosting, and you'll see the result in your proof.

ARTWORK & APPROVAL

1. Send your idea in any form: your own artwork, a sketch, a logo, family names and the year, or just a description. Rough is fine.
2. We design it to fit the ornament and build it as a production-ready vector (SVG), the file the laser runs. Photos are redrawn, not traced.
3. You get a proof showing exactly what will be frosted, at actual size, for each different design on the order.
4. Proof revisions are free and unlimited. Nothing is engraved until every design is approved in writing; changes after approval are billed as a new setup.

INCLUDED WITH EVERY ORNAMENT

Ribbon, gift box and a proof.

A red satin ribbon, a lined gift box, and a proof you approve before anything is frosted. Revisions are free.

A different name or date on each ornament costs a little more because every piece gets its own file and its own proof check.
