THE JOURNAL

A refillable leatherette journal, engraved with your design.

Laserette® is a dual-layer vegan leather. The laser removes the top layer to reveal a crisp, contrasting base, so your logo, monogram or message is part of the cover rather than printed on it.

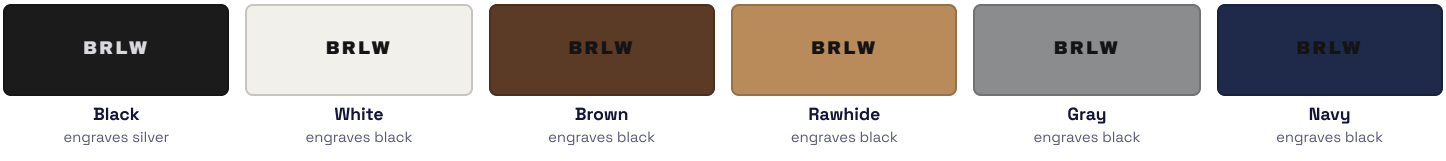

INCLUDED · NO EXTRA CHARGE

Ready to give, in a gift box.

Every journal ships in a black gift box with a foam insert, and the lid itself can be engraved.

Cover	Laserette®: dual-layer engravable leatherette (vegan leather). The engraving exposes a contrasting base layer.
Size	**8.75" L × 5.625" W × 1" H**
Pages	120 pages / 240 writing sides, lined
Construction	Premium stitching. The cover is removable and **refillable**, so it lasts well past the first notebook.
Gift box	Black gift box with foam insert, 10" × 6.625" × 1.375". Included, and the **lid is engravable**.
Shipping weight	1 lb 5 oz per journal, boxed

ARTWORK & APPROVAL

1. Send your artwork in any form: a logo file, a photo of a sketch, or just the text.
2. We rebuild it as a production-ready vector (SVG), the file the laser runs. Photos are redrawn, not traced.
3. You get a separate dimensioned proof for **each surface** ordered (front cover, inside flaps, back cover, gift box lid), showing exact placement and size.
4. Proof revisions are free and unlimited. The job runs only once every surface is approved in writing; changes after approval are billed as a new setup.
