THE WALLET

A classic bifold wallet with a monogram, a name or a logo.

Six curved card slots, a dual bill compartment, two extra pockets and RFID blocking, with a reinforced fold and precision stitching. Laserette is a dual-layer vegan leatherette: the laser removes the top colour to reveal the contrasting layer underneath, so the design is part of the material and won't peel or rub off. Black engraves to silver; every other colour engraves to a rich black.

INCLUDED · NO EXTRA CHARGE

Gift boxed, ready to give.

Every wallet arrives in a black gift box. The box lid engraves to silver if you'd like it personalized too.

Shown before engraving.

ARTWORK & APPROVAL

1
Send your artwork in any form you have it: a logo file, a photo of a sketch, or just the text you want.

2
We rebuild it as a production-ready vector (SVG), the file the laser actually runs. Raster images are redrawn, not traced.

3
You get a dimensioned proof for each side you order (front and back), showing exact size and placement on the wallet.

4
Revisions are free and unlimited before approval. We engrave only after you approve every side in writing.

PRICING — ENGRAVED ON ONE SIDE

Includes your artwork engraved on one side, the packaging described on page 1, and a proofed SVG. The price per wallet falls with quantity because artwork setup is charged once per order, not once per wallet.

QUANTITY	SAME DESIGN ON EVERY WALLET	A DIFFERENT NAME ON EACH
1	**$38.00**	**$38.00**
2 – 3	$36.00	$37.00
4 – 5	$35.00	$36.00
6 – 11	$33.00	$35.00
12 – 24	$30.00	$33.00
25 +		Case-quantity pricing — request a quote

Quantity bands apply per order. A different name or date on each wallet costs a little more because every piece gets its own file and its own proof check.
